

Isabel Hertaeg's **La Petite Mort— The Orgasm**

'Australia's Hottest Cabaret Diva' Isabel Hertaeg has arrived in Edinburgh. Her show, **La Petite Mort - The Orgasm** is set to climax at Edinburgh Fringe with the support of Laughing Horse's Free Festival.

*"Not only a cabaret extravaganza of sexual and sensual songs; it was highly sex-positive, provocative and feminist." -
Pleasure Activism Australia.*

La Petite Mort - The Orgasm is a comical cabaret romp through sex and sexuality.

Did You Know:

Scientific research has associated true love with Obsessive Compulsive Disorder, which means that love, like OCD can be treated with Prozac.

The vibrator was originally invented as a medical instrument and preceded the vacuum cleaner as a household appliance by 9 years.

A Canadian medical journal recommended intercourse as a possible treatment for incurable hiccups after an Israeli man cured his 4-day long case of hiccups by having sex with his wife.

Isabel's kinky, comic & sometimes shocking tales, accompanied by all your favorite sexy songs, will have you squirming, blushing, laughing & crying, perhaps even at the same time. Prepare for a post-coital smoke after this foxy ride.
